of last winter is not to be con-
sidered the end of all business
on what is undoubtedly the
main block of the village. The
war will end some day, and
whole flocks of ambitious men
will be seeking locations wherever
to make a livelihood. To men-
tion just one instance, a dentist
is badly needed here and can be
assured of a thriving practice.
Finally, it may be mentioned
that while a certain amount of
patching and repair work will
be effected on existing lumber
sidewalks, it is the intention to
use concrete on all major repair
work of the future, with a view
to both economy and perman-
ence. Mistakes are cer-
tainly inevitable since men are certainly
not infallible, and while the coun-
cil may incur disapproval at one
time and another with respect
to the handling of the business
of the village taxpayers, in this
matter of concrete sidewalks,
unwittingly perhaps, they will
have earned the gratitude of the
ladies. Nothing is so deadly to
the life of a dairy farmer than
ugly six-inch spikes protruding
from an old lumber sidewalk!

W. D. Fitzsimmons was a busi-
ness visitor to Calgary on Tues-
day of this week.

ing part of the vacation at the

The Misses Joan Price, Ruth
Craig, Irene Dmytryk, and Phyl-
is Long have been appointed by

tional Loan Committee to sell

busy soliciting buyers on Sat-
urday last.

Mrs. Thos. Taylor returned to
her home in Delia on Friday
last, after spending a vacation
in Lethbridge and Carmangay.

An odd light shower marked
the weather of last week, which
on the whole was decidedly cool.
A heavy ground mist fell on
Friday morning, but was fol-
lowed by bright sunshine. Mon-
day of this week was not bring-
ing up a thunder storm about
6:30 p.m., when very heavy rain
mixed with hail fell, lasting for
a period of one hour. Much da-
mage occurred in village gardens.

No Subsidy On Dairy Butter

Numerous enquiries have been re-
ceived at the office of the Provincial
Dairy Commissioner regarding the
payment of a six cent bonus on
dairy butter.

The regulations as outlined by the
Western Prices and Trade Board,
which are in effect, stating that the
six cent subsidy applies only to
BUTTERFAT PURCHASED ON A BUTTER-
FAT BASIS and used in the manufac-
ture of creamy butter. To com-
plete the forms for a refund of the
subsidy, it is necessary to show the
Federal Registered number and also
the Provincial issue number. This
means that any small dairy manu-
facturing dairy butter without a
creamy house cannot collect any
subsidy.
